

GIVEAWAY

Tiny Trinkets Game

When was the last time your kids played a game that didn't have an on/off switch? "Think-ets" features an assortment of detailed miniature trinkets. Together, the trinkets can be used to inspire storytelling or test memory, logic and more. Because Think-ets is portable, it can be played practically anywhere. Ten suggested games are included in each set.

To win this game, visit the Web site www.centralpennparent.com and click on "Giveaways."
