THINK-ETS ▲

THINK-A-LOT TOYS

Think-ets is a game of trinkets and tales. Inside each pouch is a collection of 15 specially selected trinkets from all over the world. While the game comes with 10 ways of playing it, the most popular one has a player selecting a trinket and starting a story based on what it is. Play continues as each additional person takes a different trinket and adds to the story. Think-a-Lot Toys draws from over 150 trinkets for the game sets, so no two sets are alike. Recommended for ages 8 and up, each set retails for \$12.99. *Think-ets* is available in three colors: blue (pictured, No. THK-02), red (THK01) and light green (THK-03). Contact the company at 303-449-2737 or info@think-a-lot.com.
